

# SUMMER 2016

## WHOLE CIRCLE FARM CSA INFORMATION

### WHAT IS COMMUNITY SUPPORTED AGRICULTURE (CSA)?

Community Supported Agriculture (CSA) allows you, the customer, to be directly connected to us, the farmers, to our farm, and to the environment by allowing you the opportunity to eat seasonally. By investing up front you are giving us the support and accountability we need – A promise from you that you'll come to get your veggies, and a promise from us that we'll have them ready for you!

Our Summer CSA runs for 20 pickups every single week from June to October. You will receive a diversity of flavourful vegetables from our fields as they are ready. This is your opportunity to really learn how to eat seasonally! In the spring there will be lots of green vegetables and as the season continues you can look forward to the addition of heartier veggies. By the fall you will be basking in the full bounty and variety of Ontario produce.

Our newsletter provides recipe ideas, storage information as well as farm photos and updates. We will be using our highly popular point system to allow you greater choice in the vegetables and the quantities you want for you and your family. As a summer member you'll have access to the pick your own gardens (herbs, flowers, and berries) and you'll be invited to all of our family farm events. Come experience the farm in summer!

### SUMMER 2016

~

### INVESTMENT

*Due to high demand, a non-refundable \$50.00 deposit in addition to a completed registration form will be required to reserve your share. This \$50.00 deposit is included in the share price.*

Share Size Options	Price
Small	\$460
Medium	\$600
Large	\$800
X-Large	\$940
Flour	\$120

### WHAT MIGHT BE IN MY SUMMER SHARE?

VISIT OUR WEBSITE TO SEE WHAT 2013 MEMBERS RECEIVED

If you want to eat locally and in season, then Whole Circle's CSA is the best option for you with green veggies (salads, kale, broccoli, bok choy, etc) starting us off in spring, then the heartier veggies are added to the share (tomatoes, cucumbers, carrots, peppers, beets, beans, cabbage, summer squash, etc) and in fall the cold-sweetened veggies follow (parsnips, leeks, winter squash, etc).

### PICKUP LOCATIONS

FARM STORE	GEORGETOWN FARMERS' MARKET
Tuesdays 3pm – 7pm	Saturdays 8am – 12pm
We will contact you by email to confirm when CSA pickups begin.	

### FLOUR SHARES

#### FRESHLY GROUND GRAINS

Flour CSA members get a 10% discount below market rates! Members of the Flour CSA pick up their share at the same times and locations as the veggie CSA. You receive 1kg of your choice of flour per share each week (multiple shares can be purchased). Choose from Whole Circle Farm Rye and local, certified organic Wheat and local, organic & Demeter certified Spelt.

 **Option C** • Work share or other special arrangements  
    (Please call or email in advance to discuss arrangements)  
    (Find more information about work shares on our website)

### Registration Confirmation & Payment

The costs of growing vegetables are mostly incurred at the beginning of the season. We encourage you to pay the full amount as soon as possible, though payment plans are happily provided to break up your costs if necessary. If you require an alternative payment schedule, please don't hesitate to contact us so we can accommodate your request. On-line payment and registration is available on our website. Within a week of receiving your form and down payment we will confirm your registration by email. The CSA start dates depend on the weather. Everyone will be contacted as soon as we, (your farmers) can confirm the first dates.
