

SPRING CSA 2017

WHOLE CIRCLE FARM CSA INFORMATION

WHAT IS COMMUNITY SUPPORTED AGRICULTURE (CSA)?

Community Supported Agriculture (or Community Shared Agriculture) directly connects customers (that's you!) to your farmers (that's us!). Being a member of a CSA and eating seasonally also connects you to the land where this food is grown and to the natural world. The produce we offer is grown on our farm (with the exception of a few treats here and there) and what is offered to you directly reflects this land and the season the food was grown.

Our Spring CSA runs for 6 pickups every two weeks from late March to early June. You will receive this season's nutritious and flavourful vegetables, sweet winter spinach from our unheated tunnels, and the first bounties of the new season! Using our highly popular point system, you choose the vegetables and the quantities you want for you and your family. Our bi-weekly newsletter provides recipe ideas, vegetable storage information, as well as farm news and photos. Experience local, organic food this spring with Whole Circle Farm!

WHAT CAN I EXPECT IN MY SPRING SHARE?

Through the spring, your share will be filled with this season's veggies (carrots, beets, potatoes, sweet potatoes, parsnips, onions, cabbage, radishes, celeriac, kohlrabi, and sunchoke to name a few!). We hope to offer fresh spinach each week from our unheated tunnels. Later on in the share, you can expect fresh veggies from the field including an array of salad greens and spring favourites like asparagus, rhubarb, fresh herbs and more!

SIZE OPTIONS

<i>Share Size Options</i>	<i>Investment*</i>
X-Small	\$114
Small	\$150
Medium	\$192
Large	\$264
X-large	\$306

**online prices slightly higher*

A note about share sizes:

There are five share sizes to choose from – X-Small, Small, Medium, Large and X-Large! Choose a Large share if you are a family of two vegetable-loving adults (who enjoy veggies with most meals) or a family of two adults and two or three younger ones. The Small share works well for a couple or one vegetable-loving adult. The X-Small share is designed for one person who only needs a few veggies at a time. Medium and X-Large shares offer even more selection. Using these guidelines, if you like preserving and/or having veggies with all your meals, go up one share size!

PICKUP LOCATION & DATES

Whole Circle Farm FARM STORE
Every other Thursday, 3pm-7pm

Spring CSA 2017 pickup dates:
Mar 30, Apr 13, Apr 27, May 11, May 25, June 8

SPRING CSA 2017

WHOLE CIRCLE FARM CSA REGISTRATION
